Instructions

STEP 1

- Cut and remove the plastic straps and unroll the netting (Ex. 1).

NOTE: When removing the plastic straps, be careful to not damage the pond netting.

STEP 2

- Place the netting over the pond (Ex. 2).

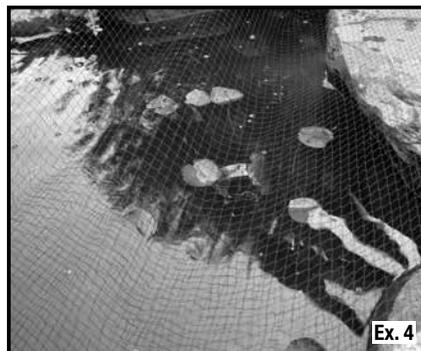

STEP 3

- Pull the netting taut and secure it around the perimeter with the included landscape stakes or rocks and other items around the pond (Ex. 3).

STEP 4

- Enjoy the benefits of Protective Pond Netting! (Ex. 4)

NOTE: It is recommended to remove debris from the netting as needed to prevent it from sagging.
